Dear Ms. Prisk,

My name is Lawrence A. Kenney Jr. I own the Delaware Valley Vault Company. My company bought the assets and building (not the stock) of Century Vault Company in March 2000. We do not now nor have we ever owned Twentieth Century Vault Co., Inc. The owner from whom we purchased the assets is a Mrs. Margaret Geoghegan, 901 E. Abington Avenue, Wyndmore PA. She would be the person most likely to be of help to you. We have no knowledge of any of Twentieth Century Vault Co., Inc.'s activities or policies in the past.

I am sorry we can not be of more help in this matter.

Yours truly,

Lawrence A. Kenney Jr.  
President  
Delaware Valley Vault Co.
